

This was the plan we followed for our very first Spirals session

## FIRST ROTATION AGENDA

**Date:**  
**Time: 9am and 11:20am SHARP**

### Introduction

*Natalie*

- Refer to norms
- Why we are doing Spirals. (Revisit of background information)

### Scanning

Group devise a rationale on:

- Why did we chose this area?
  - CHART THIS (*Each group is to add their rationale to the page*)
- Hand out sheets - Take notes for discussion later on .
- Each member shows their video evidence.
  - 1 minute of video
  - 1 minute to talk about it
- At the completion of the video evidence - collective discussion

***What is happening for our learners?*** Chart this information

### Focusing

- Individually complete the focussing aspect of the proforma.
  - Discuss as a group

### Developing a hunch

- Collectively - ***What has the evidence your team has provided, shown us?*** Chart this information
  - What are we doing to contribute to what's working and what's not working?
  - Go back to the list and develop and hunch.

### Concluding

Discuss the next Spirals expectations.

### Notes
